Re: Installation of Culvert in Crandall Creek to Expand Surface Facilities, Crandall Canyon Mine, Genwal Resources, Inc., ACT/015/032-961, Folder #2, Emery County, Utah

Dear Mr. Singh:

I am enclosing a significant revision to the Crandall Canyon Mine mining and reclamation plan for the proposal to install 1200 feet of 6 foot diameter culvert in Crandall Creek to expand the surface facilities. The anticipated overall disturbed area would increase from approximately 5.55 acres to 10.2 acres. All of the proposed expansion is on fee property.

Please review this proposal and submit your comments and/or concurrence by March 8, 1996. If you have any questions, please call me.

Sincerely,
